I would like to take this opportunity to express my appreciation to Coach Renfrow and the members of the 1987-88 Clarke College Panthers Baseball Team. I appreciate them because of the quality that they have. I believe that in team sports we often interpret quality solely in terms of winning games; but I believe that quality goes beyond just winning games. Quality also includes: attitude toward the game as a sport; ability to commit yourself to doing your very best as a player; and the manner in which you represent the institution. I believe the Clarke College Panthers Baseball Team shows real quality in all four areas where we can measure quality (winning games, attitude toward the game, committing yourself to doing your very best, and manner in which you represent the institution). I wish the Team the very best as they begin their Spring, 1988, season..

Dr. James C. Read  
Dean

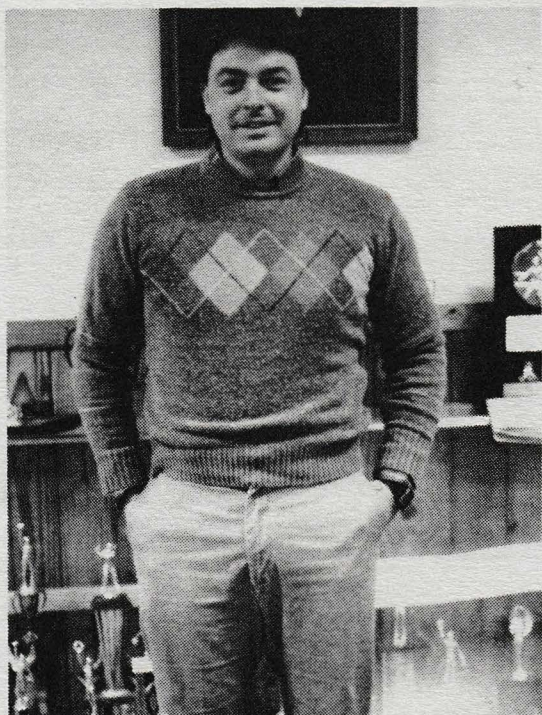

Josh Butler graduated from Florence High School. He played basketball at Clarke College from 1973 to 1975. Then from 1975 to 1978 he played basketball and baseball at Belhaven. He then went on to coach boys basketball at Pisgah High School until 1985.

Butler returned to Clarke College in 1985 as the Athletic Director and Head men and womens basketball coach.

Under the coaching of Butler, the girls won Region 23 District with record of 19 wins and 11 losses in 1988. This is the school's record for wins.

**STEVE RENFROW**  
**Baseball**

Steve Renfrow is in his first season as baseball coach at Clarke College. Steve is from Jackson, Mississippi and is the son of Mr. and Mrs. Glen Renfrow. He graduated from Wingfield High School and received his B.S. (A) Degree from Belhaven College. Steve is also working on his Masters Degree from Mississippi College.

Renfrow's previous coaching stints include assisting Willis Steenhuis' Leavell Woods Giants (1986) and managing the Jackson Bakers American Legion Team (1987) who compiled a record of 66 wins against 35 losses.

Coach Renfrow is looking forward to the challenge of guiding his first college baseball team. Renfrow says, "For this Clarke Baseball Team to be competitive, we must get *good pitching* and play *good defense*. If we do that we will enjoy a lot of success."

**RONALD (FISH) FISHER**

Ronald Fisher is age 28 and is from Jackson, Mississippi. He graduated from Wingfield High School in 1978, majoring in Physical Education. He coached as an assistant at Wingfield High School for five years. These sports included baseball and softball. He also helped coach the American Legion and Connie Mack summer baseball teams for the last 7 years. In the summer of 1986, which was coached by Fisher, the team won the state championship and was runner-up in the Southwest Regionals. The team's record of wins to losses was 44-8.

Fisher was assistant coach under the coaching of Willis Steinhaus. He came to Clarke College to be a student assistant coach.
